

Asst. Prof. Eur Ing. Ts. Dr. Lim Wei Hong  
 Department of Mechanical & Mechatronic Engineering  
 Email : limwh@ucsiuniversity.edu.my  
 Handphone : +60126209875

### Areas of Industrial Collaboration

- Computational Intelligence (Evolutionary Computation and Swarm Intelligence)
- Energy Management Optimization
- Digital Image Processing

### Community Service Projects

- Development of Improved Teaching-Learning-Based Optimization Algorithms
- Application of Improved Teaching-Learning-Based Optimization Algorithms in Designing Robust Feedback Control System

- Application of Improved Teaching-Learning-Based Optimization Algorithms in Solving Multi objective Machining Problems
